**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I understand that my neighborhood will soon be getting fiber for internet usage. It will be a boon to everyone here. Shopping, downloading, emailing, everything will be easier to do because of the speed involved.

Competition is as American as apple pie. To give the big companies ways to become anti-competitive is really unAmerican.
